GET READY TO MAKE YOUR LIFE EASIER

OBJECTIVE

The objective of this Investor Trader is simple.

We want you to **utilize your time effectively** ie we do not want you wasting your time in finding the right resources.

We do all the groundwork for you. All you need to do is just focus on one thing.

"Financial Indipendence"

INDEX

1. Stock Market News Update
2. Research Websites
3. Charting
4. Stock Market Games
5. We Highly Recommend

STOCK MARKET

NEWS UPDATE

1. Economic Times Newsletter

Imagine if you get a quick mail telling you all the important updates in stock markets. Well, that is what this exactly is.

Link -

<https://economictimes.indiatimes.com/subscription>

2. Finshots

A new and upcoming platform, where news can be accessed in a fun and easy to understand way.

Link - <https://finshots.in/brief/>

STOCK MARKET

NEWS UPDATE

3. Google News - Business

If google tools are used in the right way, then one actually does not need anything else. This allows you to make sure that you only get the news around the industry you need in specific.

Link - <https://bit.ly/2O6DAAg>

4. The Mint - Newsletter

One of the most reliable sources to get your news. Quick, Easy, Convenient, and Free.

Link -

<https://www.livemint.com/market/stock-market-news>

RESEARCH **WEBSITES**

1. Screener.in

This platform makes research so easy that it becomes fun. Easy and simplified format of annual reports

Link - <https://www.screener.in/>

2. Ticker - Finology

This is a newly created platform by Finology. Finology also being a great Youtube Channel

Link - <https://ticker.finology.in/>

RESEARCH

WEBSITES

3. Money Control

Being one of the most renowned platforms in this domain, it does not disappoint. On asking around, some students found it a bit complicated.

Link -<https://bit.ly/38xZ14r>

4. Morning Star

Very well known among American Investors. Renowned platform because of detail and credibility.

Link -

<https://www.morningstar.in/default.aspx>

CHARTING

5. Guru Focus

This is a brilliant platform. It allows us to see and track our portfolios of great investors.

Link -

https://www.gurufocus.com/new_index/

CHARTING

1. Chart Ink

This platform makes the point of paid platforms irrelevant. With a massive range of technical indicators.

Link - <https://chartink.com/>

2. Trading View

Trangview.com is simply brilliant. Aditya Goela, CFA always uses this platform for trading.

Link - <https://www.tradingview.com/>

STOCK MARKET

GAMES

1. Stock Trainer App

This mobile app is really fun. Allows you a complete experience of trading virtually.

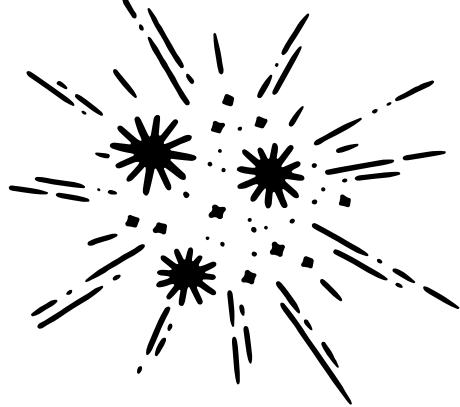

Link -<https://bit.ly/38geS7u>

2. Investopedia Game

Not only one but packs of games around Financial Markets. Really a fun way to understand research and execution.

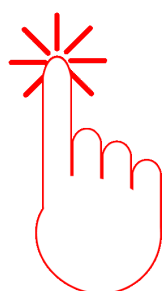

Link -<https://bit.ly/3c7Wpej>

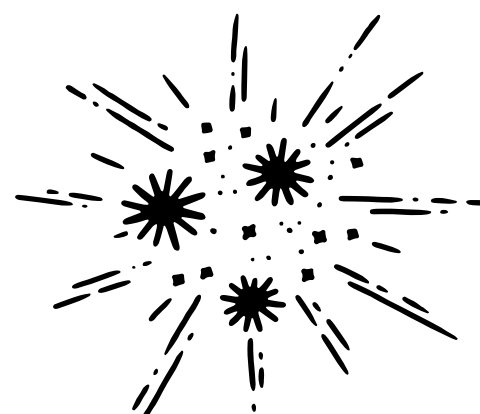

WHAT WE HIGHLY RECOMMEND:)

1. Complete Basics of Stock Markets
2. How to find a Multi-Bagger
3. Journey of Every Investor / Trader
4. Never Invest in Public Sector
Companies
